

NATIONAL HEALTHCARE DECISIONS DAY

★ *your decisions matter* ★

“It always seems too early, until it’s too late.”

NHDD exists to inspire, educate, and empower the public and health care providers about the importance of advance care planning. It encourages patients to express their wishes regarding healthcare and for health care providers and facilities to honor those wishes, whatever they may be.

NEW CASTLE

Medical/Legal Panel

Panelists will be discussing medical and legal concerns with advance directives and advance care planning in Delaware.

**Widener School of Law,
Vale Courtroom**
